

Australia takes Bronze

By The Victoria Curling Association – Friday, 30 April, 2010

Four blokes from Victoria have taken the bronze medal at the Pacific International Cup. An annual event held at Vancouver's Richmond Curling Club; the Pacific International Cup is an invitational tournament for club players from Curling clubs around the Pacific. Lead – Vaughan Rosier, Second – Matt Panoussi, Third – Tim McMahon and Skip – Rob Dennis all started curling with the Victoria Curling Association in Bendigo. They now get in a few games around Australia as well as the annual Pacific International Cup. Hoping to better their record of 3 - 4 from last year, they found themselves up against Alaska in the Bronze medal game. Defeating Alaska they now return to Victoria with Bronze medals proudly hanging around their necks.

To complement their success in the week long bonspiel the blokes also won the skills competition by placing their rocks closest to the button in a single shot contest held at the end of their first game.
